

Completing a Course

1. Click My Courses.
2. Click the course you want to complete.
3. Click the link to the course.
Note: Some courses will have multiple links.
4. Follow the instruction in the course player to complete the course.

The screenshot illustrates the steps to complete a course. On the left, the 'My Courses' tab is selected (1), and the 'AIRAVE Troubleshooting' course is highlighted in the 'Active Courses' list (2). The course title is also highlighted in the list (3). On the right, the course player for 'AIRAVE Troubleshooting' is shown, featuring the 'Sprint ignite new hire' logo and a 'Begin Course >' button (4).
